OFF-SURFACE OFFICIALS MANUAL

PUBLISHED BY RHI

For use during all Roller Hockey International games played

Dear Off-Surface Official,

The material contained within this instructional booklet will help to prepare you for your upcoming RHI assignment.

As you may already know, the playing rules and mechanics of Roller Hockey International differ from those in any other variations of hockey played in the world. For the most part, the differences are reflected in this publication. I hope that you are better able to execute your role as an off-surface official by following the instructions that are provided.

I appreciate your assistance in this regard and your continued support of RHI. I also wish you the most pleasurable of experiences during this season's competition.

Respectfully,

Ralph Backstrom
Commissioner
